SUMMARY

B.Tech Computer Science student with knowledge of Java, Python, DBMS, and web development. Built academic projects using frontend technologies and file handling concepts and solved 150+ coding problems to strengthen problem-solving skills. Seeking a technical internship to apply and expand skills in software development and backend development.

EDUCATION

Maharana Pratap Engineering College, Kanpur Bachelor of Technology – Computer Science & Engineering

2023 – 2027 CGPA:
6.40 / 10

Chokhraj Tulsyan S V M I C Siswa Bazar, Maharajganj Class 12 (Intermediate)

2023 Percentage:
73.40%

P G Sr Sec School Captainganj, Kushinagar Class 10 (High School)

2021 Percentage:
53.16%

TECHNICAL SKILLS

Programming Languages

- Java
- Python

Web Technologies

- HTML

- CSS

Databases

- SQL

Core Subjects

- Data Structures & Algorithms
- DBMS
- Object-Oriented Programming
- Computer Network

Developer Tools

- Git
 - GitHub
 - VS Code
-

PROJECTS

Library Management System | C++

- Developed a console-based Library Management System using C++ and file handling for record management.
- Implemented book issue and return features with student and book tracking.
- Added search and sorting operations for efficient data retrieval.
- Managed persistent storage of student and book records using file handling.

Electronic Shop Website | HTML, CSS, Python

- Developed a responsive electronic shop website using HTML, CSS, and Python.
 - Implemented product search and filtering functionality for improved user experience.
 - Added form validation to enhance user interaction and input validation.
 - Integrated a basic Python backend for handling and processing user data.
-

ACHIEVEMENTS

- Solved 150+ coding problems across coding platforms to strengthen problem-solving skills.

- Practiced Data Structures and Algorithms (DSA) concepts including arrays, recursion, sorting, and strings.
 - Enhanced logical thinking and coding skills through consistent problem-solving practice.
-

CERTIFICATIONS

- Introduction to Cybersecurity.
 - Data Visualization.
-

SOFT SKILLS

- Problem Solving.
 - Communication.
 - Team Collaboration.
 - Quick Learning.
 - Time Management.
-

ADDITIONAL INFORMATION

- Languages Known: Hindi, English.
- Open to internship opportunities.
- Interested in Software Development and Backend Development.
